

Solutions in refrigerated containers.

Steel Dry Freight Containers

Available for Sale or Lease
in the following sizes:

20' x 8'6" x 8'

40' x 8'6" x 8'

40' x 9'6" x 8'

Originally built to strict shipping standards, these giant, extremely strong, watertight containers are theft-proof and virtually impregnable. And unlike conventional buildings, need not become a permanent part of your property. You can move them anywhere, any time. All of our containers are structurally sound, wind & water tight, and can be easily modified to meet your specifications.

Specifications

ISO dimensions* are followed throughout all containers.
